

PINES Wheat Grass

USDA Certified Organic, Gluten-Free, OU Kosher,
Non-GMO Project Verified, Raw

PINES Wheat Grass Powder is an economical and convenient way to eat dark green vegetables every day! Mixed with a glass of juice or a smoothie in the morning, or sprinkled on most foods and salads. It's a lot easier than eating 3 servings of spinach every day. Its protein level averages 25 percent and it contains virtually every vitamin known, along with 20 amino acids, including the eight that are considered essential for human health.
